

Awana Registration Instructions

1. Go to <http://www.summitchurch.org>
2. Under "Children at Summit" click on the Awana symbol.
3. Scroll down and under Sonya's picture, click "Register Here for Awana".
4. Fill out Registration Information for **EACH INDIVIDUAL CHILD** who will be attending Awana. For example if you have two children coming to Awana, fill out everything completely for child A including his name, date of birth, uniform needs, etc. At the end of the registration process, it will ask if you would like to add another registrant. Then you will completely register your next child and pick the second option for "already paid dues". Under this option, you will still be able to purchase uniform needs for child B.
5. If you have any questions, email Amy at geilfamily@bellsouth.net.
